

# Used Books for Credit

How the program works – you bring in the books that we can sell and we will give you credit to be used that day on used books in the store. The details are listed below:

- A) 25¢ credit for mass paperbacks, 50¢ credit for tall mass paperbacks, 75¢ credit for trade paperbacks, and \$1.00 credit for hardbacks.
- B) The amount of credit you receive must be used the day you bring the books into the store. The credit amount applies to used books only.
- C) The criteria we use for giving credit is simple – books we can resell in the store. If you bought a book from us and are bringing it back, we can only accept it as a donation.
- D) Note: We must charge a sales tax.
